Hosted Exchange Key Features

Your Communications - Full Access—Anytime, Anywhere

24x7 access from desktop, mobile device, or any Internet connection.

Unified Communications

Get everyone on the same page. Employees can access their email, faxes, calendar invites and contacts through one source—Outlook.

Mobile Access

Better email and calendaring on a variety of mobile devices. Secure connections and easy sync with desktops.

Improved Collaboration

Better collaboration through common tools and quicker more reliable response via Outlook means more productivity. Hosted Exchange makes it easier to share documents, schedule time, and keep in touch.

Anti-spam, Antivirus

Spam accounts for over 85% of email traffic and virus attacks can shut down your entire business. FlowBridge Hosted Exchange service includes spam filtering and customization. Virus protection is updated every 6 hours.

Affordability

Pricing starts at less than a dollar per day per person and can go even lower with long term contracts. And, there's no need to buy additional software or hardware; FlowBridge has everything you'll need.

24x7 Support

FlowBridge manages the Hosted Exchange Service so you can focus on business, not email management. We can create, delete, and manage accounts with just an email or phone call from you.
