

## FlowBridge Hosted QuickBooks Services

If you're like most small businesses, there's a good chance your accounting data—invoices, accounts receivable, and everything you need to pay quarterly taxes—is on a laptop or desktop PC. And, it probably hasn't been backed up in a month. FlowBridge can make sure your QuickBooks data is safe, accessible, and easy to share with remote employees, clients, and accountants. We'll manage QuickBooks, you manage the business.

### Key Features

- Safe from Disaster
- Secure
- Easy Access 24x7
- Backups and Antivirus
- Fast, Simple Setup
- Affordable Risk Reduction

Pricing starts at less than a dollar a day per person.

### Hosted QuickBooks—Increasing Security and Performance

FlowBridge can host your QuickBooks software, give you secure access 24x7 from anywhere with an Internet connection, backup everything on a daily basis, and give multiple people in separate locations the same view of the data at the same time. Shared access saves time and increases accuracy because everyone is working with the same data and no files need to be transferred or updated.

#### Hosted QuickBooks is:

- **Easily Accessible by Users**—24x7 access through a secure Internet connection and can print to anywhere
- **Easy to Share**—Multiple users can review information from separate locations at the same time
- **Safe from Disaster**—Your QuickBooks data is safe on a server in a professionally managed data center with daily backups, virus protection updates and regularly scheduled backups to CD
- **Automatically Upgraded**—FlowBridge handles version upgrades, bug fixes, and patches for QuickBooks and Windows
- **Secure**—Required username and password access prevents unauthorized access
- **Affordable**—For a low monthly cost per user, your accounting system can be safe, secure and accessible.
- **Simple**—Setup is as easy as importing your QuickBooks data into FlowBridge Hosted QuickBooks and setting up user accounts. The entire process is managed by FlowBridge and usually takes less than an hour.

## FlowBridge Hosted QuickBooks Services

What's the cost to your business of being unable to use your accounting system to send invoices, track payments, and everything else you do with QuickBooks for a day, a week? How long would it take to recreate all the transactions you've got on your system. Let FlowBridge Hosted QuickBooks reduce your risk.

### Simplify Accounting and Reduce Risk at the Same Time

#### **Make Life Simpler**

FlowBridge Hosted QuickBooks is all about making life with QuickBooks simpler. We host the latest versions and handle all the updates and backups. We also update virus protection and operating system software.

#### **Print to Your Local Printer**

FlowBridge supports printing to remote devices with thin print services so you can print locally.

#### **Improved Collaboration**

Access to a common set of data means less confusion and more productivity. Hosted QuickBooks makes it easier to share information and make quick accurate decisions.

#### **Secure Hosting Facility**

The FlowBridge hosting facility is secure, has redundant power and Internet backbones and a state of the art video surveillance system.

#### **Affordability**

Pricing starts at less than a dollar per day per person and can go even lower with long term contracts. And, there's no need to buy additional software or hardware; FlowBridge has everything you'll need.

#### **24x7 Support**

FlowBridge manages the Hosted QuickBooks Service so you can focus on business, not managing QuickBooks. We can create, delete, and manage accounts with just an email or phone call from you.

**Let FlowBridge deal with the hassle. Improve your QuickBooks value, reduce your risk, and save money.**
